Consent:

- ☐ I confirm that the information provided above is true and complete to the best of my knowledge. I understand that yoga involves physical movement, stretching, and exercise, which may carry a risk of injury if not performed carefully. I agree to participate voluntarily and at my own risk.
- ☐ I understand that it is my responsibility to inform the instructor of any existing injuries, medical conditions, pain, or discomfort before and during sessions. I will immediately stop any activity that causes pain or discomfort and inform the instructor. I acknowledge that I have been medically cleared for any kind of fitness training as prescribed by Movement By Design.
- ☐ I acknowledge that yoga instruction is not a substitute for medical treatment, and I have been advised to consult a healthcare professional if needed.
